"Mawhiba...Where you belong"
Introduction

King Abdulaziz and his Companions Foundation for Giftedness and Creativity “Mawhiba”, is a non-profit endowment foundation, that is interested in people speaking the language of giftedness and Creativity, prospecting world gifted treasures; identifying, nurturing and empowering them to fulfill their heart’s and mind’s passion with leading programs and initiatives, and paves the way for them to a world of creativity. “Mawhiba” is a national foundation with a global reach and ambition that embraces the sky which serves its nation vision and leadership ambition, not limited by geography, scattering seeds of giving all over the world.
