

What is the Mawhiba Classes Program?

Mawhiba Classes Program, implemented in partnership with selected schools, is one of the flagship initiatives of the Mawhiba Foundation. It aims to provide a high-quality learning environment tailored to the needs of gifted students, in collaboration with a group of distinguished schools.

Providing advanced enrichment programs, curricula, and activities.

Offering a specialized set of professional development programs.

By the 2024/2025 academic year, the program has expanded to include 169 schools in 14 cities.

This year, 9,000 gifted students have joined the program.

A variety of purpose-built assessment methods are used to ensure the achievement of the program's objectives.

How are schools selected to participate in the Mawhiba Classes Program?

Mawhiba Classes Program, implemented in partnership with selected schools, is one of the flagship initiatives of the Mawhiba Foundation. It aims to provide a **high-quality learning environment** tailored to the needs of gifted students.

Schools are selected for participation

Based on:

Internationally benchmarked criteria that carefully designed and applied through various evaluation stages.

Leading to:

Recommendations for selecting schools that meet the required standards.

This process is carried out by:

Locally trained evaluators, who are experts in applying Mawhiba's specific selection methods and criteria, are also tasked with developing tools and mechanisms that enhance the performance of participating schools. This guarantees the delivery of the highest quality academic programs and the creation of optimal learning environments for gifted students.

School Partnership Model within the Mawhiba Classes Program

Government Model

This model is designed to establish partnerships with **public schools dedicated to gifted student's education** or those that already host gifted student classes within various educational directorates, provided they meet the partnership school enrollment criteria. The objective is to reach a broader segment of gifted students.

Services provided
under this model
include:

Nomination of
the Most
Outstanding
Gifted Students

Delivery of
Advanced
Supplementary
Curricula

Teacher Training

A Wide Array of
Assessment
Tools and
Methods

Educational
Consulting

Supervision and monitoring responsibilities are assigned to the Gifted Education Departments within the respective Education Directorates. The core model remains in place, with students continuing to take the annual assessment at the end of each academic year. The partnership agreement is valid for a period of three years, renewable upon mutual agreement.

School Partnership Model within the Mawhiba Classes Program

Partnership Model

This is a contractual framework between **Mawhiba and selected schools**, guaranteeing that schools benefit from the full range of services offered by Mawhiba, including:

Nomination Of the
Most Outstanding
Gifted Students

Delivery Of Advanced
Supplementary
Curricula

Teacher Training

A Wide Array of
Assessment
Tools and
Methods

Educational
Consulting

In return, partner schools
commit to offering

%.50
discount on tuition fees

For gifted students from Grade 4 through Grade 12. After a three-year period, the school's performance is again evaluated.

If the school meets the required standards, the agreement is renewed. This model applies specifically to schools with existing agreements with Mawhiba, as well as to schools that have successfully completed the designated period under either the Support or Classification models.

School Partnership Model within the Mawhiba Classes Program

Classification Model

The Classification Model is a contractual framework between **Mawhiba** and **selected schools**, designed to ensure that these schools benefit from the full range of services provided by Mawhiba, including:

Nomination of the Most Outstanding Gifted Students	Delivery of Advanced Supplementary Curricula	Teacher Training	A Wide Array of Assessment Tools and Methods	Educational Consulting

In return, the schools commit to offering:

10 seats for scholarship with 100% discount, 10 seats for scholarship with 50% discount, and 20 seats for scholarship with 25% discount - all offered for a period of 3 years, with each scholarship covering a duration of 3 years per student.

40 Educational Scholarships

Scholarships are allocated based on the performance level of nominated students in the Mawhiba Multiple Cognitive Aptitude Test (MMCAT). The higher a student's score, the greater the tuition discount offered by the school. Full (100%) scholarships are granted to students in Grade 4, Grade 7, and Grade 10. Scholarships offering 50% or 25% discounts are available across all grade levels. After three years, the school's performance is re-evaluated, and if the school meets the required criteria, a new agreement is signed and the school transitions to the Partnership Model.

School Partnership Model within the Mawhiba Classes Program

Support Model

A contractual model between **Mawhiba and selected schools**, specifically designed for schools located in medium and small cities, with the possibility of implementation in the outskirts of larger cities where no partnership schools currently exist. The model ensures the following:

				
Nomination of the Most Outstanding Gifted Students	Delivery of Advanced Supplementary Curricula	Teacher Training	A Wide Array of Assessment Tools and Methods	Educational Consulting

In return, host schools commit to:

250	Providing no fewer than 250 free seats for the Mawhiba Multiple Cognitive Aptitude Test (MMCAT) under the National Program for Gifted Identification.
Offering at least 20 scholarships annually, distributed as follows:	
20	5 seats for scholarship with 100% discount, 5 seats for scholarship with 50% discount, and 10 seats for scholarship with 25% discount, all offered for a period of one year, with each scholarship covering a duration of 3 years per student.
